

GSR 989 Microteaching
Evaluation for: Cloud

Evaluator: [Redacted]

Date: February 12, 2014

Lesson # (of 2) 2

Topic: using APP to accommodate
travel accommodations

Objective(s):

- 1) list 3 apps
- 2) able to choose between the 3

Effectiveness of Instructional Activities:

- Verbal, ~~participatory~~ +
examples were helpful
and relevant

Effectiveness of Participatory Learning Activities:

= feedback and questions
were good, but a little
limited.

Areas of Strength:

Good bridge-in, excellent
articulation of the risk/piece
interaction.

Areas for Improvement:

"correct"
using "correct" for the
blanket statement for answer #2
blanket statement of "answer #2"
could eliminate those words
and answer "2".

↳ some student
answered
wrong but
I answer
"correct"
for all

General Comments:

There was an excellent instructional balance
between personal relevance and necessary knowledge,
and the clarity of the explanations was much appreciated!
clarity explanation

Evaluation for: Cloud

Evaluator: [REDACTED]

Date: Feb. 12

Lesson # (of 2) _____

Topic:

Using App to Optimize Travelling
Accommodation Expense.

Objective(s):

- ① List 3 apps to be considered to book at affordable price
- ② Select most suitable apps based on travel condition

Effectiveness of Instructional Activities:

- interesting bridge-in
- Visual helps.

Effectiveness of Participatory Learning Activities:

- Q & A throughout the lesson.
But no time for the matching question

Areas of Strength:

- passionate on the subject.

Areas for Improvement:

- slow down a bit
- more time on ~~extra~~ matching
- Wait a longer time for students to respond to questions.

General Comments:

Very practical topic & clear objectives.

hand outs help a lot

share personal experiences make it related to the class.

Lesson # (of 2) 2

Topic: Using App to Optimize Travelling Accommodation Expenses

Objective(s):

- List 3 apps to be considered to book accommodation at affordable price
- Select most suitable app based on travel condition

Effectiveness of Instructional Activities:

Effectiveness of Participatory Learning Activities:

good - class engagement

Areas of Strength:

- Visuals
- session for topic
- participatory learning activities was very engaging esp. the voting

Areas for Improvement:

- Participatory section was exciting but at times felt a bit rushed
- Maybe, allow more time for pairing discussion

General Comments:

- I definitely saw improvement this time around Cloud. You seemed a bit calmer and more comfortable in your role interacting with the students. The activities were also aligned to your objectives. Well done Cloud!

Lesson # (of 2) 2

Topic:

Using App to optimize travelling accommodation expenses

Objective(s):

- ① List 3 apps to be considered to book accommodation at affordable price.
- ② Select most suitable apps based on travel condition.

Effectiveness of Instructional Activities:

Very well organized.
Good use of handouts + papers that held out.

Effectiveness of Participatory Learning Activities:

Good. I know there wasn't time but it would be nice to ^{maybe} explore more abstract questions.

Areas of Strength:

Good use of stories to make learning memorable → applicable
The concrete examples were great.
Great enthusiasm.

Areas for Improvement:

Maybe get here more chance for more abstract questions for think pair share.
